EXHIBITOR'S VOICE

We meet a lot of new people, we meet suppliers. We think that we learn from each other.

I think this exhibition could benefit the home owners also, not just architects and designers but also the developers, home owners. A lot of home owners around could benefit for the coming year.

**Mr.Svein Johan Stub , General Manager
Jotun Cambodia Ltd.**

Real Estate market is the main sector now and it related to construction, architecture and décor. We want all those related sectors to know about our products, that's why we decided to join Cambodia Architect & Décor.

**Mr.Lundy, Manager
Epic System Co.,Ltd.**

Since the construction market is increasing day by day and we want to extend our brand, so we think that joining this exhibition is the best choice.
