Industry at A Glance

- Cambodia's GDP expected to grow 7.1% in 2017, highest among all neighboring countries with construction is one of primary sources of growth besides agriculture, garments & footwear and tourism, according to Asian Development Bank (ADB).
- The majority of construction projects have focused on residential developments (flats, villas, shop houses, and condominiums), resorts, satellite cities, commercial office and retail buildings and industrial parks.
- According to Ministry of Land Management, Urban Planning and Construction (MLMUPC), since 2000 until June 2016, 35,206 construction projects worth USD 32.2 billion has been accomplished in Cambodia.
- MLMUPC revealed that USD 8.5 billion worth of development projects approved in 2016 was significant growth compared to just USD 3.3 billion in 2015.
- The Cambodia Infrastructure Report from Business Monitor International forecast construction sector to grow by 9.9% in 2016 and 9.8% in 2017.
- CBRE foresee that FDI will move towards entertainment, hotels, condo-hotels and retail in 2017 where residential sector were largely focused in 2015 and 2016.
- Knight Frank projected offices demand to increase by 77% within 2020.
- Sihanoukville is one of the most hot spot in 2017! Expect more tourism, hospitality, entertainment investment, and also residential investment.
